ABOUT US

WHAT IS THE FISK ADDITION NEIGHBORHOOD ASSOCIATION?

Our neighborhood association is a group of residents who meet once a month to accomplish specific goals in our neighborhood. The association may include homeowners, renters, business owners, school faculty or staff, church officials and members of non-profit organizations.

WHAT IS THE GOAL OF THE FISK ADDITION NEIGHBORHOOD ASSOCIATION?

The neighborhood association helps identify challenges and concerns, supports change and improvement efforts, helps resolve conflicts, provides volunteers for community initiatives, represents the neighborhood as a whole to elected officials and finds resources to make the neighborhood a better place to live.

Some goals may include:

- Helping neighbors get to know each other by hosting social events
- Making physical improvements such as painting a mural, installing a playground or organizing a neighborhood clean-up
- Assembling a Block Watch to reduce crime
- Organizing to share opinions with public officials
- Educating residents about zoning issues and new developments that might impact the area

WHAT CAN YOU DO TO BE A PART OF A POSITIVE, PROSPEROUS NEIGHBORHOOD?

Simply attend the neighborhood association meetings! Meetings are held the last Tuesday of every month in the West High School Community Room and also in the Fisk Park shelter during the summer months. You do NOT need to be a board member to attend! Any variety of topics concerning the neighborhood are discussed and you are encouraged to be a voice in our neighborhood. The meetings are casual and brief...stay as little or as long as you want!

STAY INFORMED!

To keep informed of neighborhood news, events and meetings via email, type FANA INFO in the subject line of an email and send to Joy Glass at joyglass@fanagb.com or Dolly Tombal at dollytombal@fanagb.com. Your email address WILL NOT be shared or sold.
